

Around the Square

We figure it this way: if you don't vote next Tuesday and in the November election, you void your right to gripe for the next several years. You will have passed up your chance to improve things, or make them worse. But as far as we're concerned, the rights to vote—and to gripe—are sacred. We intend to safeguard the latter by exercising the former.

This couldn't happen in Sierra Madre, but it did. While selling Memorial Day poppies last week, women of the veterans' auxiliaries were told by clerks in two stores that "we don't want you peddling poppies in here; it distracts the customers."

And it was reported that a housewife said this: "I can't afford to buy a poppy this year. You see, we just bought a new car."

All we can say is that probably the disabled veterans who made those poppies also found it "distracting" when their arms or legs were blown off in the service of our country. We won't even dignify the housewife's statement with a comment.

There! That should be enough "preaching" for one column. In a lighter vein now, how's this? "Anyone who works hard and finds uranium can then rest on his oars."

This significant statement was made by Hollywood Actress Judy Holliday as she posed for a picture: "What expression do you want? I have three."

Well, you can't call her two-faced, anyway.

Family Service Board Formed

Family Service came to Sierra Madre Monday night. A permanent board to administer the counseling service here was formed at a citizens' meeting called by the steering committee created for the purpose by the Community Coordinating Council.

Residents may now make use of the counseling services offered by the Pasadena Family Service agency, a branch organization of the Family Service Society of America.

Funds offered so far to Sierra Madre's new branch total \$105. This sum will be used to underwrite costs of the service when citizens are unable to pay all or part of the \$6-per-interview fee.

It was suggested at the meeting that local memberships be offered Sierra Madreans for \$1 a year, with the money obtained used to augment the Family Service fund.

Elected to the Family Service Board Monday were Mrs. P. R. Woodworth, J. L. Fitzgerald, Delbert Haskell, the Rev. Donald Ostrander, Charles A. Skutt, Mrs. William Marmion, Mrs. George Osborn, Mrs. Dixie Tiller, and Dr. M. H. A. Peterson.

These board members will serve on rotating terms, with three new members being appointed every year. Functions of the board were described as (1) to raise

Water Works Toured by 135 Experts

One hundred thirty-five members and guests of the Southern California Water Works Organization met in Sierra Madre Friday and inspected water conservation efforts of the city and the Los Angeles County Flood Control District.

A luncheon at the Woman's Clubhouse preceded the tour. Speakers were Finley B. Laverty, chief of hydraulics for the County Flood Control District; H. C. Kelly, senior hydraulics engineer and deputy water master of the State Division of Water Resources; and Al Freeland, city water superintendent, who was chairman of the meeting.

Mr. Kelly appeared on the program in place of Max Bookman, state water master, who was unable to attend.

City School Superintendent Charles A. Skutt operated the school's movie projector for the showing of a film that illustrated the water discharge from County Flood Control District dams and the methods of operating water spreading grounds.

All basins of the project were full of water during the demonstration so that visitors could see the system in full operation.

Numerous city officials, including City Engineer L. Fredrick Pack, City Attorney T. Guy Cornyn, and G. B. Watson, former director of public works, attended.

The Lions Club-sponsored event is scheduled for next Thursday, June 5, 7 p.m., at the Woman's Clubhouse, 270 W. Sierra Madre boulevard.

The speaker enlisted as a private in the British Army in 1939. He soon rose to the rank of lieutenant colonel and then was assistant adjutant general for the Allied Normandy Invasion and, later, chief of personnel for the military government in Germany.

VFW POST WINS STATE COMMUNITY SERVICE PRIZE

Sierra Madre's Harry L. Embree Post No. 3208, Veterans of Foreign Wars, tied for first place in the annual Community Service Contest of the State VFW Department.

Aside from the honor of winning over the 539 other VFW posts throughout the state, the victory also means \$100 in cash to the Sierra Madre veterans.

The local post shared first-place laurels with the Kernville, Calif., post.

By virtue of their showing in the state contest, the VFWers will now submit their Community Service entry in the national contest and have a shot at more cash prizes.

The Sierra Madre post took second prize in the state department contest last year.

The NEWS introduces this week a chatty column telling about the activities and residents of the Lower Hastings Ranch.

We're also looking for a correspondent from the Coronet Homes section of the ranch.

New Booster Pump Installed

A new 60-horsepower booster pump was put into operation at the city's Miramonte reservoir Monday.

Al Freeland, city water superintendent, also announced that Water Well No. 2 was "ready for duty" again yesterday after being on the "sick list" for several months. A separated casing was cause of the well's being shut down.

CITY CEMETERY SERVICES FOLLOW PARADE FRIDAY

With martial music supplied by the John Marshall Junior High School Band, Sierra Madre's traditional Memorial Day Parade will begin at 10 a.m. Friday.

The parade and memorial service at the city cemetery are being sponsored by the Harry L. Embree Post, Veterans of Foreign Wars. Francis Eakman is chairman.

The veterans, wearing white shirts, dark trousers, and VFW overseas caps, will form a marching unit of the parade. Other units—beside the Marshall bandmen—will include Sierra Madre Boy Scouts, Girl Scouts, Campfire Girls, and school pupils.

From the city park, starting point of the parade, marchers will proceed on Sierra Madre boulevard to the city cemetery where the annual service will be conducted in recognition of Sierra Madre's war dead.

The Rev. O. G. Burlison, pastor of Church of the Nazarene, will open the program by offering the invocation. The Memorial Day message will be delivered by the Rev. Carl Smith, pastor of the Sierra Madre Congregational Church.

Edward Lloyd Voorhees, 58 W. Miramonte, will read a poem, "Let There Be Peace," written by Florence Eakman, Sierra Madre authoress and poetess.

Names of deceased veterans will be announced by John C. Mead, former city judge and past master of Sierra Madre Lodge No. 408, F. and A.M. Following this, a firing squad—led by Don Jackson—will fire a salute in honor of the local servicemen.

Firing squad members, armed with Springfield Army rifles, include Loran Smith, Manuel de la Torre, William Adams, Ellet Jackson and Ralph Burns.

The VFW Post will give ice cream treats to boys and girls following the service.

Scouting Goes On Parade At Camporee

Scouting went on parade in Sierra Madre last weekend as local troops and units staged their annual Camporee on the Youth Hut grounds.

Displays of crafts and troop activities highlighted the event that started with a parade from the city park Saturday afternoon. Four buglers played "Assembly" at the three points of the Kersting Court Triangle to announce the parade formation.

Boy Scouts, Sea Scouts, and Explorers carried full equipment packs as they marched along Sierra Madre boulevard to the Camporee site.

Outstanding event of the weekend was reported to be the campfire program Saturday evening. Entertainment included a demonstration of Indian songs and dances by Scouts of the Verdugo Council Explorer unit.

Boys from each troop presented stunts and sang camp and scouting songs.

Hans Guthrie, camping chairman for the Sierra Madre Boy Scout District, said Troop 5's craft work was noteworthy in that it included sculpture of Baden-Powell, famous pioneer in the Boy Scout movement.

Initiated into the exclusive Order of the Arrow were Mr. Guthrie, Frank Wright, William Spargur, and Cavin Morgan.

Troop 4 swept Camporee honors by garnering 959 points out of a possible 1000 to win the presidential award for best all-around camping.

Troop 5 was next with 520 points. Troops 1, 2, and 5 won proficiency awards, and Troop 3 received the standard award. Both Sierra Madre senior units—the Sea Scouts and Explorer Post—won proficiency ratings.

New First Aid Class Convenes Next Thursday

Thursday, June 5, is the first meeting date set for the new standard first aid course being conducted by the Sierra Madre Chapter, American Red Cross.

The class, open to all over 15 years of age, will convene at 7:30 p.m. at the City School cafeteria.

Sierra Madreans are asked to register for the class through the local ARC Chapter House, 41 S. Baldwin avenue.

JACKSON APPEALS RULING OF PLANNING COMMISSION

Don Jackson said he intends to appeal from action of the Planning Commission last week which denied his request to rezone 470 W. Sierra Madre boulevard from R-1 to a modified C-1.

His formal appeal was to be included in a letter to the City Council last night.

Mr. Jackson's application was rejected by the city planners following a public hearing—the last of two—during which no one spoke either for or against the zone change.

The commissioners resolved, however, that they will "study the advisability" of creating a modified C-1 zone for the entire area between Lima and Michilinda on Sierra Madre boulevard.

Mrs. M. R. de Wright, chair-

man of the Planning Commission, said this possibility would be ready for consideration within 90 days.

"We'd like to have an expression of opinion on rezoning," Mrs. Wright stated. "It definitely would change the character of the boulevard."

MEETING YOUR NEIGHBORS IN

Hastings Ranch

KAY GATES
Phone CUster 5-2183

"Out where the handclasp's a little stronger,
Out where the smile dwells a little longer,
That's where the West begins."

How truly Arthur Chapman described our feeling of neighborliness in those words. So, once more, we take a peek through the keyholes of a few of our neighborhood ranch homes to learn what they have been doing this past week and gather news—news that will increase with your interest and help in a new column which starts this week in this your neighborhood paper, this your column, Hastings Ranchers.

Sounded really western this week with gunfire piercing the quiet early morning hours on Wednesday. Many of us apparently slept through the excitement that morning, even many of our Mayfair Road neighbors who were located in the center of the activity. Seems a youth on a wild auto ride skidded across two lawns on that street and finally attempted to escape on foot from the police when he jumped from his car in the middle of the block in front of the Bruce W. Minter's home. The Minters say they were among the sound sleepers who got the news later that morning from neighbors. Even more surprised, though, were the Fred R. Stevers who heard sirens but thought little of the noise until the police called on them later to explain the tire marks across their lawn. "Now we can appreciate our luck that the boy didn't go right through our garage," Mrs. Stevers said. The Driskells, however, watched the exciting drama from their windows—a drama Mrs. Driskell says they have seen in movies but never before in real life—a car speeding and swerving by, with the police car gaining on it every second.

On the other hand, we have the social life of our ranch—Mrs. Peter Madsen and neighbor, Mrs. L. R. Gieselman, on Shadow Grove Road, entertaining a few friends Wednesday with a baby shower for Mrs. Robert Fleming, also of the same street. . . Mrs. Bruce Wallace hosting for Bridge Club in her home on Greenhill Road at their monthly meeting, Wednesday evening, at which time the members welcomed two ladies as their guests, Mrs. Stan Pollard and Mrs. Courtney Shropshire. . . Not too late, we hope, to mention another social event which took place recently in the Wallace home—a beautiful celebration of the 50th wedding anniversary of Mrs. Wallace's parents, Mr. and Mrs. Alexander Law Sr. of Oak Glen. Relatives and old local friends

HENRY BAUMANN PLAYS FEATURED ROLE IN COMEDY

Henry Baumann of 247 N. Hermosa recently played one of the featured roles in "The Whole Town's Talking," a Northridge Community Players production presented at the Northridge Women's Club.

Mr. Baumann, a public school teacher in Northridge and a magician and artist, portrayed the role of Chester Binney in the play by Anita Loos and John Emerson.

The Sierra Madrean is a product of the local schools (City School and Pasadena City College) and received his bachelor's degree at the University of Southern California. He now is sandwiching in graduate study at S.C. on Saturdays in preparation for his master's degree and administrative credential.

Also appearing in the Community Players production was James Russell, brother of Screen Actress Jane Russell.

Mr. Baumann also had a painting on exhibition this month at the Ebell Salon of Art. The painting is titled, "Mine Tunnel."

of the Laws, who are ex-South Pasadena residents, attended and enjoyed the party. P.S.—You may have seen a Sierra Madre baker putting the finishing touches on the gorgeous cake—a real masterpiece. . . Meanwhile, over on Rim Road, the Ogden Bodens are busy this week assisting in the plans for the Junior Championship games in the tennis tournament at the Altadena Town and Country Club, an event which has made the club outstanding in this sport in California.

Sorrow has come to a home here this week by the passing of Mrs. S. L. Yarbrough's cousin, Courtney W. Shropshire Jr. Mr. and Mrs. Shropshire Sr. have recently come from Aruba in the West Indies, are visiting the Yarbrough family on Greenhill Road, and will soon move into their new home in Sierra Madre. Our sincerest sympathy to the Yarbrough and Shropshire families in their loss.

CAMPFIRE GIRLS WORK TOWARD SPECIAL RANK

To qualify themselves for the rank of "firemakers," O-Ki-Zu Campfire Girls entertained several civic-minded women recently at the home of Mrs. Edward Cook, 129 W. Grandview.

The girls demonstrated their knowledge of Indian symbols by using them in a bingo game. They also made cookies for the event.

Among those invited were Mrs. Everett Carver, for her contribution to Campfire movement; Mrs. George Osborn, for her contribution to the Girl Scouts; Mrs. Bryce Tyler as

president of the Civic Club; Mrs. Donald Parker, the group's first Bluebird leader; Mrs. Gladys Carter, also a former leader; and Mrs. John Rudbach, last year's leader.

The girls are planning their own council fire to be held at Mrs. Cook's home tonight. At this meeting they will pass rank.

We're Sorry!

Mrs. Lelia Pritchard Porter, daughter of W. H. Pritchard of Ottawa, Kansas, and the late Mrs. Pritchard, was married May 16 to Howard Cottle Stroup, not Fred E. Stroup as inadvertently reported in the NEWS last week.

Two Boys Beat Up 6 Footer

It was reported today that two boys, age four and five, attacked and beat up a 25-year-old six footer. The two youngsters are alleged to have jumped up and down on the arms and back of the six footer causing serious internal injuries. But, purportedly, the six footer didn't feel a thing, mostly because it's a six foot divan.

Mr. V. Keisel of The Drapery Shop at 31 North Baldwin in Sierra Madre, rushed the divan to his sofa clinic and performed his usual successful operation with customary reasonable fee. Mr. Keisel's latest slogan: "Don't let your children rip the covering off your furniture. Let us do it—so we can recover same with beautiful modern fabric." Remember our phone please—CU. 5-1255. 'Come As You Are' Breakfast Catches Women Off Guard

A surprise "Come As You Are" breakfast, the scene of an assortment of housecoats, shorts, pin curlers, aprons, blue jeans and robes, was held last Friday morning, May 23, in the primary room of the Congregational Church.

The event was sponsored by the Consero section of the Women's Fellowship, Mrs. Frank Lukas, chairman. Approximately 100 women, unexpectedly called for at their homes by committee members early that morning, attended wearing whatever they had on.

The groups began arriving at the church at 8:45 a.m. Rolls and coffee were served. There was a voluntary offering.

A "Come As You Are" surprise event was also held last year.

BRITISH HOME APPLIES FOR NEW FACILITIES

A variance was requested last week for permission to construct a new kitchen and dining room at the British Old Peoples' Home, 647 Manzanita.

Officials of the home said the new facilities would be for 50 people—the number of residents they eventually expect to have there. A public hearing on the variance was set for the next meeting of the Planning Commission.

Maloney Goes On Field Trip

Neil Maloney of Sierra Madre is one of 200 forage crop students in the crops department at California State Polytechnic College who took part in a field trip to the San Joaquin Valley last week.

Permanent irrigated pasture and haying operation inspection were features of the two-day event.

'Leg Work' Of Census Now Done

House-to-house calling had been completed by today in Sierra Madre's special US census, from which it is hoped the city will be able to profit to the tune of more than \$4000 a year.

Enumerators were rapidly completing their block assignments Monday in the "counting noses" work of the census, according to Vernon L. Miller, special census supervisor of the Los Angeles office, US Census Bureau.

At nearly every house, Sierra Madre's cooperated "very nicely" in supplying the required information, Mr. Miller said.

By virtue of the special census, which probably will place Sierra Madre's population at approximately 7900, the city expects to gain financially from state subventions and grants.

Sister Kenny Sees 'End' Of Polio

The end is in sight of the dread disease, polio, Sister Elizabeth Kenny told volunteers at a fund campaign meeting last week at the Sister Kenny Polio Hospital in El Monte.

In what she frankly admitted would be her last appearance in the Southland (she is suffering from Parkinson's disease), Sister Kenny stated that in the last few weeks several doctors on the East Coast have confirmed what she has been saying for years: that the polio virus was in the blood stream.

Knowing this, they have now told me that the end of polio is in sight within the next era, Sister Kenny declared.

In the meantime she emphasized the need for support of the Sister Kenny polio fund. She said that in normal cases—cases treated by what she termed "orthodox physicians"—it takes approximately five years to effect a complete recovery. But using the Sister Kenny treatment, the Australian nurse remarked, it requires only several months to restore the patient to normal health.

Sixty-six per cent of the Sister Kenny patients go home completely cured, she stated.

In Sierra Madre, meanwhile, volunteer workers were continuing in their house-to-house solicitation for the drive. All money collected here goes directly to the hospital in El Monte, it was said.

McBratney's Store Begins Expansion

Ground was broken last Thursday for the expansion of McBratney's Irish Linen Store in Monrovia.

Construction of the two-story building and basement will add approximately 6000 square feet to the present structure. An 80-car parking lot will be provided customers by extending property to the rear.

Temple Gets New Rainbirds

New rainbird sprinklers were installed Sunday morning in the rear yard of the Masonic Temple, 33 E. Sierra Madre boulevard.

The five rainbirds were put in by members of the lodge.

Kiwanis Club Hears Hiestand

Edgar W. Hiestand, candidate for U.S. Congress, was guest speaker at the Sierra Madre Kiwanis Club yesterday.

Mr. Hiestand spoke on the subject, "Government Is Your Business."

SM Friendship Club Plans Annual Picnic

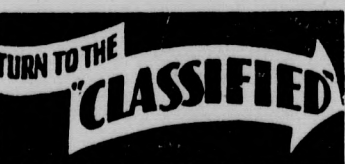

Sierra Madre's Community Friendship Club will present its 5th annual picnic in the City Park next Monday, June 2, starting at 12:30 p.m.

Mrs. Alice Sedgman, publicity chairman, announces that members of the Pasadena Friendship Club and the Altadena Vanguards will be guests of the Sierra Madreans.

Following the picnic luncheon, a community sing is scheduled in the Parkhouse under the direction of Mrs. Etta Leguin and her music group. Mrs. Elizabeth Tompkins, club historian, will present a resume of the five years' work of the organization, tracing events from the first meeting to the present day.

Mrs. Sedgman said the picnic will be the last event of the Friendship Club until the annual Village Fair on Oct. 6.

The sewing group, however, under the direction of Madame Bertha Babin, will continue to work throughout the summer months in preparation for this event.

Lumber Quiz

A SINKER? No, not a doughnut. It's a saw-log, too heavy to float in the pond.

PUNK? Not used to light firecrackers. He's a signalman for a logging crew.

LIVE ROLLS? No yeast in them. They're metal rollways which carry lumber thru the mill.

SKY LINE? Not the outline of tall buildings against the sky. It's an aerial wire rope on which logs are hauled.

GOOD LUMBER? Not obtainable everywhere. But you can get it from Hammond!

MISSION GROUP TO HEAR MRS. CARL MALMSTROM

The Bethany Mission Society will meet next Tuesday, June 3, at 10:30 a.m.

Mrs. Carl Malmstrom will speak at 11 o'clock. Mrs. Malmstrom, wife of the Veteran Central American Missionary, is the daughter of J. T. Butler, pioneer in Central America. Mrs. Butler died in the field, one son gave his life in Jamaica in Christian service, and a daughter is now serving in Honduras. The Butler family founded the Robinson Bible Institute at Panajachel, Guatemala, training only Indians.

Mrs. Malmstrom and Miss Mary Feister of the Christian Supply Center, Monrovia, worked together for many years in Guatemala.

At present the Malmstroms are working among the migrants in California.

A covered dish luncheon will be served at noon and will be followed by devotions at 1:20 o'clock.

At 2 o'clock Mrs. E. E. Beatty of the China Inland Mission, who, with her husband served for many years among tribal people on the border of Eastern Tibet, will speak.

The public is invited to attend.

Candidates Issue Joint Statement

In a joint statement issued by James William Barton, Theodore H. Cooper and Vincent T. Elliott, Republican candidates for Congress in the 21st District, it was said that there is no "official" Republican candidate in the race since party endorsements are prohibited until after the Primary Election.

"The entire purpose of the Primary Election on June 3 is to select party nominees and no candidates can claim endorsements which only the voters may give," the statement declared.

EAT WITH CARE | DIET WITH CARE

Medical researchers are constantly studying nutrition, and they have added greatly to our knowledge of the subject. They have proved, for example, that overeating is perhaps man's commonest dietary fault.

But they have learned, also, that too stringent a diet can cause serious harm if one is not careful to get a sufficient intake of vitamins and minerals. Thus, while one should eat with care, one should also diet with care. For guidance on your diet, consult your physician. And bring his prescriptions to us.

ULTRA HIGH FREQUENCY OFFERS NEW TV CHANNELS

In the relatively short time since its inception, television has become a part of the American way of life; the infant industry has outgrown the segment of the radio spectrum which had initially been deemed adequate to fulfill its needs.

The reasons for this are: one, the rapid acceptance and resulting demand for more and more stations, and two, the nature of the television signal which requires a six megacycle band for each station. In comparison the entire AM Broadcast band occupies approximately one megacycle of the radio spectrum.

The present day assigned space for television, known as the VHF (Very High Frequency)

band, will not accommodate a sufficient number of new stations. At present, many interference problems arise when stations operating on the same frequency, yet spaced fairly far apart, conflict with each other. In order to bring television to many more cities in the United States, more channels are required.

The Federal Communications Commission, finding the present VHF band limited in respect to additional channel assignments, carefully studied the results and findings of experiments on still higher frequencies. Based on these it allocated a band of higher frequencies for future television channels and thus opened the way for nationwide television

service. This group of frequencies is referred to as the UHF (Ultra High Frequency) television band.

The entire UHF band extends from 300 to 3000 mc. However, UHF television is concerned only with that portion from 470 to 890 mc. Therefore, 420 mc. of additional frequency range is available for new television channels. In terms of channels using 6 mc. for each channel, 70 new channels can be assigned throughout the United States, making possible a television station in practically every community. These channels are numbered from 14 to 83 and have been allocated for

both educational and commercial purposes.

Channels specifically for educational purposes, have been reserved in all communities that have or will have, three or more channels, UHF and VHF. They have also been reserved in educational centers, even though some of these centers may not have a commercial television station.

The allocation has been done in such a manner as to eliminate completely or at least minimize considerably, all interferences that have been present when transmitting stations conflict with each other.

Pre-Election Rally Slated By Democrats

Sierra Madre Democrats will conduct a Pre-Election Rally Monday, June 2, from 6 to 9 p.m. at the studio and garden of Mrs. Helen Hawley Narozny, 630 Fairview.

attend and present talks.

Mrs. Narozny said precinct captains will get together for last-minute organizational work. The rally is being sponsored by the 48th Assembly District Democratic Club. All Democrats are invited, according to Mrs. Narozny. Picnicsuppers should be brought to the event. Coffee will be served.

SIERRA MADRE NEWS—5

EDDIE'S RADIO ELECTRIC TV Service is opening today in its new building. Although the address, 81 W. Sierra Madre boulevard, remains the same, the new, modern structure bears no resemblance to the old adobe store that formerly housed Eddie's agency and service shop. Eddie is the Sierra Madre dealer for RCA, GE, Westinghouse, Philco, and Admiral television sets. His Grand Opening will continue today, tomorrow, Friday, and Saturday.

OPENING DUE OF BALDWIN EXTENSION

Formal opening of Baldwin avenue to provide an important north-south connection between Huntington Drive and Colorado boulevard in Arcadia is scheduled for tomorrow, May 29, at 10 a.m.

County Supervisor Herbert C. Legg, who assisted in the groundbreaking ceremony last December, said that a large number of civic officials will be present to cut the ribbon opening the new thoroughfare.

Mr. Legg said cost of the road approximated \$225,000 including paving, engineering and right-of-way acquisition. "It is anticipated that 3000 vehicles will use Baldwin avenue each day, and that it will alleviate traffic conditions in nearby residential areas," the county official stated.

Gentry Re-Elected District Commander

Byron Gentry, Pasadena city prosecutor, was re-elected last week as commander of the 6th District, Veterans of Foreign Wars.

Representing the Sierra Madre Harry L. Embree Post No. 3208 were Manuel de la Torre, post commander, Judge John C. Mead, Harry Holland and Verle Rhine.

Press Preview 'Trip to Moon'

A preview showing of the next Griffith Park Observatory feature was held for the press Tuesday.

The show, "We land on the Moon," was produced by the specially constructed "space travel" projectors in conjunction with the planetarium mechanism. The "tomorrow's trip today" will be the first summer program of the observatory.

Air Filter Center Seeks Volunteers

The need for civilian volunteers to help man the Air Defense Filter Center in Pasadena was said to be "urgent" by speakers at the Sierra Madre Lions Club last Thursday night.

The Lions saw the Warner Brothers' film, "Air Defense," and heard talks by H. Noel Deutsch of Sierra Madre, assistant training administrator at the center, and Capt. Gordon H. Lowe, USAF, commanding officer.

It was pointed out that the center was planning to go on a 24-hour watch basis recently but had to postpone the move for lack of volunteer personnel. The filter center still hopes to start on the 24-hour program as soon as enough workers are enrolled, it was said.

Volunteers in training give three hours one day every two weeks in time, while those assigned to regular crews are asked to be on duty six hours every week. Workers must be at least 18 years of age.

Sierra Madreans interested in the program are invited to contact Deutsch, 341 Acacia avenue.

SHIPPEY PUTS IN 'TYPICAL WEEK'

The life of a candidate is rugged.

Take Lee Shippey for example. In what he termed a "typical week," the Sierra Madrean presented 12 speeches as a part of his campaign for US Congress.

On Tuesday Mr. Shippey gave two talks in Longport; on Wednesday he addressed the Monrovia Kiwanis Club; Thursday he spoke in West Altadena; Friday in East Altadena; Saturday saw Mr. Shippey taking part in the Monrovia Days Parade and presenting a speech in Pasadena; Sunday he talked to groups in Altadena, La Canada, and at the Pasadena Presbyterian Church; he was on a radio broadcast in Lancaster Tuesday evening, then returned by 9 p.m. for a talk in North Hollywood.

Had enough? Mr. Shippey hasn't. He started right out on the same sort of a schedule for next week.

COLVIN REPORTS ON FIRM SALES

Hugh F. Colvin, 585 W. Sierra Madre boulevard, presented one of the reports at the annual meeting of Consolidated Engineering Corporation stockholders last week.

Mr. Colvin, who is treasurer and assistant to the president of the corporation, announced that sales this year are expected to exceed \$8,500,000—an increase of more than 50 per cent over the sales in 1951.

Water Bills Hit Half as Often, Twice as Hard

A system of bi-monthly billing was put into use this month by the city water department.

As one city councilman cracked when the change was first proposed several months ago: "The bills will hit twice as hard but only half as often."

The system was adopted as a means of reducing book work.

W. E. Bowers Solves Canyon 'Puzzler'

Canyon residents are thankful this week that they have such a neighbor as William E. Bowers, 686 Brookside Lane.

Although Mr. Bowers is vice-chairman of the City Planning Commission, he acted on his own to correct a situation that has long plagued householders in the Brookside Lane-Woodland Drive area.

For years canyon dwellers have had to rely on a tiny alley—hardly more than a cow-path—for ingress and egress to their homes. The pathway, called Sunnyside Lane, is so narrow that a car once became stuck and blocked it off for a 14-hour period. Several autos reportedly have rolled off an 8-foot drop along the side in recent years.

Mr. Bowers, who has been studying the problem for five years, last week took steps to solve it. With his own money he purchased two lots which will be split in such a way as to provide an 18-foot road.

The entire neighborhood will chip in on paying it. Among the residents praising Mr. Bowers at last week's meeting of the Planning Commission was Irwin H. Erb, 677 Brookside Lane, who pointed out that the entire credit belongs to Mr. Bowers "who worked years on it."

JOE T. RUSSELL VISITS BROTHERS

Joe T. Russell, 150 W. Montecito, is in Athens, Alabama, visiting his brother, John Robert Russell.

Following his stay in Athens, Mr. Russell will journey to Paducah, Kentucky, to visit with another brother, Luke Russell. He expects to return to Sierra Madre within three or four months.

Mead Serves on Convention Body

Among the Sierra Madre delegates to Veterans of Foreign Wars State Department convention next month will be Judge John C. Mead, 480 N. Baldwin avenue.

Judge Mead has been appointed to serve on the resolution committee at the convention, scheduled for June 18 to 22 at San Diego.

Woman Gives Cesspool Solution

Norma Young of the "Happy Home" radio program has suggested what may be the solution to the perennial cesspool problem in Sierra Madre.

Just dump in some yeast every two weeks. That's supposed to be all there is to it.

Mrs. Donald Maxwell, 538 W. Alegria, was concerned about the problem and wrote Miss Young for advice. A package of yeast dumped down drains and other outlets every two weeks reportedly helps benign bacteria. This is to be used instead of detergents, which tend to destroy the useful bacteria.

"Eventually, you have to empty the cesspool anyway, but not so often," reported Mrs. Maxwell.

CITIZENS GIVE 229 PINTS BLOOD IN DRIVE HERE

Sierra Madreans gave 229 pints of blood last Wednesday to make the Red Cross Blood Bank visit one of the most successful since World War II.

The 229 pints were four more than this city's quota of 225. Mrs. John E. Conzelman, blood drive chairman, reported that a total of 260 persons registered to give blood, and there were approximately 55 "drop ins"—people having no appointments.

Ninety registrations came from the Coronet Homes area, Sierra Madre's neighbors to the west. The residents there responded "beautifully" to the appeal to give blood, it was said.

Pritchard Pledges Protection of Small Businessmen

Michael J. (Joe) Pritchard, assembly candidate in the 48th District, today pledged himself to the protection of small businessmen if elected in the June 3 primary.

"I believe in equal representation," Mr. Pritchard said. "I am against all who push other people around, regardless of wealth, power, or so-called 'special class.'"

He said that taxpayers—large or small—will get the same consideration if he is elected. Mr. Pritchard also said he favors legislation to improve flood control facilities in the foothill district, and to provide 48th District areas with a more adequate supply of domestic water.

MRS. KERMIT DOWTY IS NEW NURSERY SCHOOL SECRETARY

SURPRISE CEREMONY UNITES RUTH McCLELLAND, GARLAND

The surprise wedding of Miss Ruth E. McClelland, daughter of Mr. and Mrs. Lewis C. McClelland, 503 Manzanita, to Russell E. Garland Jr., son of Mr. and Mrs. Russell E. Garland Sr., 225 N. Sunnyside, took place Wednesday afternoon, May 21, 2 o'clock in Las Vegas, Nevada, at the Wee Kirk O' The-Heather Wedding Chapel.

The bride wore a nylon print dress with an orchid corsage and black accessories. She attended the Sierra Madre School, Wilson Jr. High and Pasadena City College. For the past two years she has been employed at Garland's Dry Goods Store, 7 Kersting Ct.

Mr. Garland is the manager of the Garland stores in Compton and Norwalk. He attended Wentworth Military Academy, Lexington, Mo., and Hays College, Hays, Kansas.

The couple went to Grand Canyon and Oak Creek Canyon, Arizona, and are now at home at 21 Bonita, Apt. A, Arcadia.

Hinshaw Comes Out for Hiestand

Congressman Carl Hinshaw, incumbent from the 20th District, endorsed today the candidacy of Edgar W. Hiestand, who is seeking election in the new 21st District.

In a letter to Tom Schwartz, prominent Republican in Sierra Madre, Congressman Hinshaw stated: "I do hope that the sound judgment of my old friends in that portion of the 20th District will lead them to support and vote for Edgar W. Hiestand."

Pledges Support

Everett G. Burkhhalter, candidate for Congress from the

PRIMARY ELECTION From page one

Lanterman, incumbent, cross-filed Republican; Michael J. (Joe) Pritchard, cross-filed Democrat; and Alice C. Thompson, cross-filed Democrat.

For delegates to the national presidential conventions, voters of both parties have two choices. Republicans will decide between candidates pledged to Earl Warren and the so-called free delegation of Thomas H. Werdel.

Democrats will choose between delegates preferring Sen. Estes Kefauver and the Edmund G. (Pat) Brown delegation, a nominal group formed when President Harry S. Truman announced he would not run.

Other candidates besides Mrs. Narozny for the Democratic 48th Assembly District Central Committee include Nettie S. Rihard, Leo E. Krawetz, David Press, Frank E. Engle, Elizabeth R. Schmidt, Arthur W. Evans, Lee E. Cooper, Carl E. Deisenroth, Laurel V. McElwain, Wiley M. Carpenter, and Emily F. Stegman. Voters will elect seven of these candidates.

Running with Mr. Schwartz for the Republican 48th Assembly District Central Committee are Bruce V. Reagan, Charles F. Humphrey, Charles L. Menning, Homer H. Bell, Augustine W. Shepherd, and John Krehbiel. Their election is virtually automatic since there are seven openings for the seven candidates.

Only judicial contests will occur in Superior Court Office No. 6, where Judge Allen W. Ashburn, incumbent, opposes Charles B. MacCoy, LA municipal court judge; and in Superior Court Office No. 11, where Judge Louis H. Burke, incumbent, is running against Judge Ida May Adams. The other judges are running unopposed.

Attorney Claude A. Watson is running against Incumbent S. Ernest Roll for the office of county district attorney.

The only county proposition on the ballot calls for some \$2,100,000 in supplemental bonds for the expansion of Juvenile Hall. The money would provide better living quarters and sufficient space to detain delinquents while awaiting court hearings. At present many juveniles must be confined with adults in the county jail, a condition considered bad by most enforcement agencies. There is no known opposition to the measure.

21st District, has just been informed of the "unanimous support and endorsement" of the Associated Italians of California for his election.

The statement from Lawrence B. DiCaro, executive secretary of the Associated Italians of California follows:

"Your outstanding record of achievement; your firm stand on vital issues; your courageous defense of your people merit the admiration and complete confidence of your constituency and the public as a whole."

Vanniers Visit At Chapel Hill

Dr. and Mrs. W. Webster Vannier, 131 Bonita, are spending a month at Chapel Hill, North Carolina. They are visiting their son, Dr. Wilton E. Vannier, who is engaged in medical research for the United States government. He is located at the University of North Carolina.

The Vanniers expect to visit Washington and New York before returning to Sierra Madre early in June.

Most Stores Close On Memorial Day

Most stores in Sierra Madre will be closed next Friday, May 30, in observance of Memorial Day, a legal holiday.

Florists and nurseries, and some markets, however, will remain open, it was announced.
